PREFACE

The Puskar School of Nursing Training is one of the most modern and well equipped nursing School in Jharkhand. It is widely recognized as a center of excellence in the field of nursing. The School is recognized by Indian Nursing Council (INC) and Jharkhand Nursing Registration Council (JNRC).

The School is established in the year 2016, Recognizing the necessity of the neglected poor, down trodden and sick people by providing optimum health care, since its Inception Puskar School of Nursing Training has trained students from all around the country. Today you all know the increased Nursing demand at home and outside the nation to face the several challenges that are thrown open for medical care. With this ideology, the society immediately rose to the occasion to start and train nurses at collegiate level with excellent inputs.

Puskar School of Nursing Training is to provide quality education & Training in the field of Nursing at the grass root level, school provides good knowledge skill for students so that the student can get job without wasting their time and money, witch is not so relevant in today competitive environment.

In the era of privatization & globalization of education in India, On the pattern of western countries, India Govt. also promoting Non Govt. Organization to come forward to meet the growing needs of Institution providing job oriented courses & Training. Puskar School of Nursing Training has coming forward to meet the ever growing demands of Nursing staff from Hospitals, Nursing Homes & other places in India & other countries. The objective of institute is to fulfill these gaps by providing quality education, that is affordable too.

Self employment/ Job Oriented courses means, candidate may establish open his/her own centre in any part of the country under concerned medical specially subject to the rules & regulations prevailing at the time in the area concerned or may seek jobs in India & aboard.

The Diploma Certificate is for self employment & also eligible for Government and Private sector.

Mission Statement

To touch the lives to transform people by teaching, by healing and by creating a better community for man and God.

Vision Statement

To become a dynamic global institution and a centre for excellence

Core Values

« Compassionate in all dealings
« Loyal to organizational Goals
« Hard Work with passion and productivity
« Continuous self-renewal
« Honesty and integrity in all aspects

From The Desk Of Chairman

Sunil Kr. Puskar

Dear Students,

You are most Welcome to be the part of our organization

We are committed for fulfilling the academic needs of the state and continuously trying a visionary diversification in innovative education with global paradigms. The establishment of the Puskar School of Nursing Training, Ranchi. reflects a positive side in this direction aimed at producing quality students capable of strengthening and broadening the base of nursing Education.

Our mission as an educational institution is to instill originality in the learning minds and impart strength and efficiency, by giving quality, value based education in the field of Nursing. We in our institute motivate students to improve their skills and creativity with the support of innovative selective knowledge, so that after completion of their study students can lead the Community and bring perfection in entirely in this manner our guiding vision and mission is to pursue excellence constantly in all its endeavors while providing world-class education to its students and producing scientists who can serve to reduce the mismatch between the availability and demand for skilled human resources. Not even teaching and training one of the hallmarks of our institution is to provide the best environment for overall development of students and preservation of strong moral and traditional values of our Indian culture.

I invite you to join and experience the teaching and training environment at our campus. I strongly believe that as you discover more about us, you will appreciate the worthiness of our taught courses.

"Education is the biggest service to humanity". A Society can march ahead to prosperity, only when it has strong foundation of education.

With best wishes,

☞ *Action is the Foundational key to all success*

☞ *Imperfect Action is better than perfect Inaction*

☞ *Success consists of going from failure to failure without loss of enthusiasm*

PHILOSOPHY

The Puskar School of Nursing Training, believes that the Modern medicine cannot be practiced without the support of nursing for which the world remains grateful to Florence Nightingale, the pioneer. The light lit by her has been carried forward by Puskar School of Nursing Training, Ranchi, with the establishment of Puskar School of Nursing Training. Puskar School of Nursing Training strives for the well being of our students, and pledge that it will render quality education always, it works as a team in order to enable our students strives for excellence and will work with enthusiasm and sincerity to alleviate suffering and pain, The Puskar School of Nursing Training has been established with the approval from Department of Health Medical Education & Family Welfare, Govt. of Jharkhand. vide its letter no, 10/Nursing - 10- 1412013- 396(10) dated 16.12.2015, The School is affiliated by the Indian Nursing Council, New Delhi and Jharkhand Nursing Registration Council, Jharkhand.

Florence Nightingale

- Value based education which brings transformation in the community.
- Total development of a person through this programme and enabling her to become a useful citizen.
- This Teaching Institution believes that on completion of the course she will be able to provide quality care to achieve the goal of nursing.
- This Basic Nursing Course will facilitate the overall professional development of the students through adaptation of new methods & modern technology that will make them capable of working with increasing health consciousness in India. The quality of health services has improved. Skilled and specialized Nurse are in high demand by the Health organization with the growth of the health industry the demand for Nurse is also increasing making a career in Nursing very attractive.
- The Nurses can get excellent employment Opportunities in Government or Private Hospital, Clinics, Nursing Homes, Orphanages, Old Age Homes, Military Services, Industries, Cruise Ships & School.
- Majority of the Nurses in India go abroad, Most of the Nurse working through the world are from India. The skilled Nurses can get the employment in specialized fields like Surgical Medical, ICU, Telemetry & ER.

AIM/OBJECTIVES

The main objectives of the Institution are as follows:

- To provide instruction, teaching, and training in Higher Education and to make provision for advancement and dissimilation of knowledge.
- To create higher levels of intellectual abilities.
- To establish state-of-the-art facilities for nursing education and training.
- To carry out teaching and to offer various facilities to the students for betterment of their knowledge.
- To encourage sports, cultural, extra-curricular and co-curricular activities for students and staff.

GOAL

To prepare skilled Nurse/ANM to achieve the goals of National Rural Health Mission that aims at brining about dramatic improvements in the Health system & Health status of the country.

NURSES DISPENSE
COMFORT
COMPASSION
& CARING
WITHOUT EVEN A
PRESCRIPTION

"Constant **ATTENTION** by a good **NURSE** may be just as **important** as a major operation by a surgeon"

13. Vacation will be granted by the school as per regulation of Indian Nursing Council (INC) New Delhi and Jharkhand Nurses Registration Council, (JNRC) Ranchi.

14. Each student is responsible to pay all the examination fees and other dues on time.

15. Student should participate and take initiative for leadership in professional and activities.

16. Our Nursing School is designed to prepare Nurses not only to be skilled in bedside care but also to understand the Principles of Health and prevention of disease, and to use these principles to bring health into the lives of those to whom they minister.

17. Students will have experience in the development of health teaching in the outpatient department and wards of a hospital, maternal and child health clinics, home visiting both rural & urban areas and Midwifery in both rural & urban areas.

18. Rural experience is of exceptional value due to the fact that a large proportion of our population lives in villages. The development of this aspect if nursing education is of special importance at this time when many plans for rural welfare are being developed in our country, This experience will be valuable becoming familiar with and adjusting to the home conditions and learning the background of the patient. The doctor makes the diagnosis and prescribes treatment, but the total care of the patient is left to the Nurse.

19. Care must be comprehensive. We recognize that mental and environment factors play an important part in health. Therefore along with the custodial and technical care required by the patients the nurse is expected to assume a supporting and counseling role, helping the patient to understand the day to day problems affecting his health and to cope with them and working with the patient and his family for the patient's adequate rehabilitation.

20. Students shall be allowed to marry during training period, But not to Conceive.
